Candice Rosen Health Counseling LLC, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tired of yo-yo dieting? Do prescription medications empty your wallet and complicate your life? Is your calendar filled with doctors appointments? How many times have you heard your physician tell you that you need to diet and exercise. .without giving you a clue as to where or how to begin? With mountains of information about nutrition and fitness out there, how do you attempt to hike when you re already confused about how to take the first step? So you don t! By using The Pancreatic Oath Nutrition and Lifestyle Journal as a companion to The Pancreatic Oath, you begin to see how subtle nutrition and lifestyle changes can transform your life. Improving your health requires an honest look at your current diet and lifestyle habits. Keeping a journal keeps you honest. By following the Pancreatic Nutritional Program (PNP) outlined in The Pancreatic Oath, you are prescribing to a common sense, yet data-driven diet that will lead you to improved health and sustainable weight loss. It is a revolutionary approach to personalized Self-Health. There is no calorie counting or carbohydrate counting. By monitoring your blood glucose levels for 8 to 12 weeks, you will gain insight into what foods stress your pancreas and affect your weight and overall health. Your pancreas will tell you whether what you chose for breakfast, lunch, dinner or a snack was good or bad for the pancreas. You must listen to the voices of your body. As detailed in The Pancreatic Oath, the body has three distinct voices. It is time to acknowledge and address those voices by making educated decisions about what you will eat and/or drink. Every meal should not be a...
