*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Originality - Hmmmmm. when is the last time I read a poem about coffee that travels the globe, develops characters, is filled with suspense, humor, murder, mayhem and SHARKS-- not mention a surprise twist at the end. Oh. I ll go with excellent here, as well. Communication of Theme - Well, I believe he communicated the theme, ad infinitum. In fact, it s a safe bet to say there is nothing further that can be said about the bean! Did he prove he was really in search of the perfect brew? Indeed, agreed! Did he also convey an underlying life theme and message-- Oh, yes, it is true! Fluency - Did it flow?
