While Europe replaced it s Christian heritage with secular humanism, Christianity is spreading around the globe - in Africa, Asia and Central and South America. Christianity is now a universal worldview. In America, it s once Christian culture is being eroded from within, by an intentional promotion of secular humanism and a rejection of the gospel in our universities, media and the general public square. Living out the Christian life in an increasingly secularized American culture has two imperatives: 1) understanding the arguments in American culture for why Christianity is no longer relevant (and how to easily defeat them), and 2) examining your personal relationship with Jesus Christ, to grow in the knowledge of His working in you. This book is Volume 1 of a 4-volume study series designed to be used in conjunction with a classroom workbook, or on line with the individual classroom videos, for the purpose of helping you grow in the relevance of Jesus Christ in all areas of your life. Volume 1 examines a question that everyone wrestles with: Is what I believe true?, weighing the message of Jesus Christ against secularism. Where you align yourself has eternal consequences.
