The Forbes-Parkes Gold-Field (Classic Reprint) (Paperback)

By E C Andrews

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Forbes-Parkes Gold-Field Much greater prominence has been given to the history of this field than is customary in such reports. Emphasis has thus been laid on the uctuating character of the mining, and a pessimistic view of it may possibly be avoided by a perusal of this chapter. An area of about 500 square miles has been examined, a map of which has been prepared on a scale of an inch to the mile. Sections representing the Writer s interpretation of the geology of this field also accompany the report. Upon the map are indicated the approximate boundaries of the alluvium, the sedimentary rocks and the igneous rocks. The courses of the lodes and the leads are also indicated. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
