ISIS - BOOK 7 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Book 7 - Considering Islamic s have no respect for human life, they have less respect for children. If they are not murdering or beheading children, who speaketh no more, they are recruiting them as future terrorist, skilled fighters, suicide bombers and if that isn t enough, how to kill other children and baby s, as well as babies still within their mother s womb. How proud their Allah must be of them. Then again, who does one thank for the constant strife in the Middle East? Muhammad, of course, who is father to both the Sunni and Shiite who are like brothers to each other, both claiming Muhammad as their father and at the same time their enemy; and they, illiterate savages as they are, will hate and slaughter each other till the end of time! They all claim to worship the same Allah yet they murder, torture and mutilate each other in his name, making him very happy, or are there two different Allah s at odds with each other as Muhammad was at odds with God? Despite claims to the contrary by many Muslims, Islam, a double edged sword, has proven to be as deadly as any of the worst plagues to inflict mankind, which includes the complete destruction of families. Despite that, the Kurds claim, and rightly so, We are fighting for all the world, for all civilization. Yet, that simple statement does not embarrass the world as a whole, least of all NATO? NATO - what is NATO?.
