Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Welcome to the second volume of Poetic Dreams in the name of True Love, My heart and soul. My spirit, my all. This is organic in the aspect of being created in such ways of keeping it as is. The freedom of writing freely, all natural in an unnatural way. I did this myself. As I do all of my books. I am not of the technical aspects of writing. I feel that robs oneself of digging deeply within. I am what comes out. What my muse magically gives unto me in the many forms it shares in unison. My heart, my mind, my soul. My all. This book is a continuation but of course to Poetic Dreams in the name of True Love. What a venture this poetic journey has become. You will see the celebration of love. Love and love. My inner emotions expressing at will. Poetic Dreams going a long way. From the spirit of Ethereal love. Inspired by the view of a beauty, While feeling unsung in a way you could say. But feelings come and go right? Right! It s like an undying rose you could say. Sure it withers and gets older. But it ages to experience. The knowledge of knowing it can get better. And that is how I feel about poetry in itself pertaining to me in a personal matter. Metaphorically speaking. It, Writing is like for me trying to make a crystal clear path towards getting things out. Upon many sacred spires I end up respiting or so. Having the Euphoric feeling of a beautiful dreamer in the want of being upon that dream within the inspiration that I write as...
