PeePee Publishers, 2009. Hardcover. Condition: New. First edition. Pediatric Gastroenterology, Hepatology and Nutrition The pioneering and the only textbook in the field of pediatric gastroenterology, hepatology and nutrition from the Indian subcontinent is the outcome of a wealth of inputs from around 100 experts drawn from not just the Indian subcontinent but also USA, UK, Hong Kong, Malaysia, Austria, etc. The indispensable book captures the latest developments and recommendations in the field in a totally engaging and most readable manner, projecting up-to-date reviews in the basics, clinical aspect and management, and providing today's most effective care for pediatric population suffering from gastrointestinal and allied problems with a special emphasis on nutritional aspects. The major thrust of the masterly work is on common medical (with a brief coverage of surgical) problems in the field in India and neighboring Asian countries. The target readership of this comprehensive and yet to-the-point, state-of-art and reader-friendly textbook includes pediatric house-physicians, residents, postgraduates, pediatric teachers and scholars, and practitioners seeking in-depth information in the field of gastroenterology, hepatology and nutrition as relevant to the infants, children and adolescents of the Indian subcontinent. From the Previews ?Provides a remarkable access to the state-of-art chapters in the field of pediatric gastroenterology, hepatology and nutrition from authoritative sources drawn from not only the Indian subcontinent but also from the United States, European and other nations?an essential reading for the target audience.? J Mat Child Health, Manila, Philippines ?A reader-friendly and admirable spotlight on gastroenterology issues relevant to the Asian children and adolescents?.a must-read and a must-buy book.?
