Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

ONE BREAST TO LOVE AND LIVING LIFE VICTORIOUSLY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One Breast to Love and Living Life Victoriously is the inspiring true story of faith, courage, and gratitude surrounding one woman s difficult battle with breast cancer. When author Tina Maria Scott first feels a lump in her armpit, she assumes it will dissolve with prayer. But it doesn t. And then she is hit with the devastating and life-altering diagnosis: cancer. Overwhelmed and numb, she endures another life-changing event when, after chemotherapy treatments, she watches in horror as her hair goes down the bathtub drain. All she can do is cry as her daughter-in-law holds her and water soaks both of them. Ultimately, she must have her left breast removed, but she remains steadfast during this devastating time. She embraces what she has always been told-that God will never forsake her-and actively looks for ways to be grateful. Through multiple transformative experiences, Tina Maria refuses to let her faith in the healing power of God be shaken. She relies on traditional and affirmative prayer, meditation, Bible reading, drum playing, and singing, along with daily reading of some of the dozens of get-well cards she receives that remind her she is loved, supported, and expected to heal victoriously.
