Her overprotective aunt and uncle have kept her away from the place that calls to her at night. And trying to push them into taking her isn't an option. She knows how much it hurts them to talk about the very thing that took her parents' lives so many years ago in a boating accident. In fact Maribel never pushes anything with her loving adopted family, until she meets Jaron. He is unbelievably hot and the only boy that she has ever been attracted to. For the first time in her life she feels exhilarated and truly alive. She can tell that he feels it too, so why does he keep disappearing on her? And why is it that as soon as her secretive brooding knight shows up, her world is turned upside down? People are following her, she's having terrifying nightmares, and she suddenly gets the feeling that her beloved aunt and uncle are keeping something from her. Can she unravel the secrets of her past without her life falling apart along the way? Will the truth forever change the way she sees the people that she loves?.
