

Breaking Through Power: It's Easier Than We Think (Paperback)

Filesize: 1.19 MB

Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Sofia Yundt)

City Lights Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Nader s assessment of how concentrated wealth and power undermine democracy is clear and compelling, but it s his substantive vision of how we ought to respond that makes *Breaking Through Power* essential reading. Written just before Donald Trump s Electoral College victory, Nader s latest book reads with even greater urgency now. --*Yes Magazine* In *Breaking Through Power*, Ralph Nader draws from a lifetime waging--and often winning--David vs. Goliath battles against big corporations and the United States government. In this succinct, Tom Paine-style wake-up call, the iconic consumer advocate highlights the success stories of fellow Americans who organize change and work together to derail the many ways in which wealth manipulates politics, labor, media, the environment, and the quality of national life today. Nader makes an inspired case about how the nation can--and must--be democratically managed by communities guided by the United States Constitution, not by the dictates of big businesses and the wealthy few. This is classic Ralph Nader, a crystallization of the core political beliefs and commitments that have driven his lifetime of advocacy for greater democracy. Ralph Nader is the grand progressive of our time. We overlook his words at our own peril! This book is required reading. --*Cornel West* Ralph Nader s *Breaking Through Power* is a brilliant analysis of corporate power and the popular mechanisms that can be used to wrest back our democracy. No one has been fighting corporate domination longer, or understands it better, than Nader, who will go down in history not only as a prophet but an example of what it means to live the moral life. We disregard his wisdom and his courage at our peril. --*Chris Hedges*, Pulitzer-Prize winner and author of *Wages...*
