

Exploring the Islands of Scotland (Paperback)

By Julian Holland

Frances Lincoln Publishers Ltd, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Geologically unique, rich in flora and fauna, wild, remote and steeped in history, the many islands around the long and rugged coastline of Scotland are among the most unspoilt and beautiful destinations to be found anywhere on our crowded planet. Formed during massive and violent upheavals in the Earth's crust nearly three billion years ago and later eroded and shaped by the action of ice, the islands of Scotland also bear the scars of thousands of years of human occupation. From Neolithic settlements, chambered burial tombs, megalithic stone circles, and Iron Age brochs, to early Celtic Christian chapels, Viking place names, clan fortresses, deserted townships of the infamous clearances and more modern relics of both world wars, the islands of Scotland are a historical treasure trove second to none. From the sand-blown machair of Tiree and the white shell-sand beaches of Barra to the towering sea-cliffs and stacks of remote St Kilda and the dramatic Cullins of Skye, the Scottish islands are famed worldwide for their beauty. Internationally recognised for their flora and fauna, the islands are also home to many important nature...

Reviews

The publication is fantastic and great. It really is basic but shocks from the 50 percent from the ebook. Its been written in an remarkably easy way in fact it is only soon after i finished reading this ebook in which really changed me, alter the way in my opinion.
