

Capital Markets and Investments: Essential Insights and Concepts for Professionals

By Siddhartha G. Dastidar

Reading Light Publication. Paperback. Condition: New. 304 pages. Dimensions: 11.0in. x 8.5in. x 0.7in. This intermediate book on the financial capital markets goes beyond basic financial concepts, and discusses the plumbing and the mechanics of the markets. It requires no prior background, and is accessible to students, practitioners, journalists and enthusiasts. This book covers the basics of financial institutions, instruments (debt, equity and options) and mentions new developments such as fintech and regulation. Compared to other books, this book is more concise and goes beyond the theory. It delves into institutional details rather than only discussing conceptual issues; the plumbing in the markets does matter! The book also introduces tools such as Bloomberg and has annexures on accounting, macroeconomics and statistics for introductory students. In that sense, it lies somewhere in between a traditional textbook and a reference book, and requires no prior finance background. Dr. Sid Dastidar (www.columbia.edu/sgd2002) teaches at Columbia University, at the IEOR Department and earlier at the Graduate School of Business. Sid has two decades of industry experience, buy-side and sell-side, across asset classes regions. This book targets people who need a rapid orientation in finance, and need to apply the concepts right away. Key...
