Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

ALL THERE IS

BRILLIANCE AUDIO, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. New York Times and USA Today bestselling author Violet Duke debuts an emotional series about letting go, starting over, and trusting in the redemptive power of love. Emma Stevens is ready for a fresh start in Juniper Hills, but she still lives with the impossible guilt of her past: having failed to rescue her little stepbrother from a fire that decimated her childhood home and her family. Her next-door neighbor may have been the one to drag her out of the burning building that night, but it doesn't exonerate him since he caused the fire. Not even when he shows up fourteen years later to help salvage her bakery. Jake Rowan may not have been able to save Emma's brother from the fire, but at least he was able to save his own brother. By taking the fall and the punishment for him, Jake managed to protect his older brother's future, but it cost him the girl of his dreams. Now Jake finds himself on Emma's doorstep once again. Not to save her life this time, but to repair it. And more importantly, her heart, if she'll let him.
