Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Secrets, Scrawls and Strays - And Other Virgin Verses, by Ronald C. McGilvray, in his debut collection, takes one on a poetic journey into a marriage of the light and dark, and their gray offspring that populate the lonely corners of a world of color. Secrets, Scrawls and Strays delves into the past, present and future of characters off the grid or just plain off. It s an album of snapshots of the downtown desperate, the lost dreams of dreamers, while tossing in a generous dose of drama and a degree of whimsy. Secrets, Scrawls and Strays, the poem, speaks of the day in the life of a couple of ghetto lads and a fate of which they are blissfully ignorant. McGilvray s poetry has been called both thought provoking and poignant. In Art Lasts, Cup Of Dreams, Drawn, The Dancer, Hallowed Playground and Into Love, Into Light we see a much lighter side of his darker verse. Mixing chocolate with McGilvray s peanut butter, or visa versa, Simoni Gruber s stunning illustrations are a magic match to McGilvray s way with words. Gruber, a tattoo artist living in Athens, Greece also debuts her fine art form on a new medium. The illustrated poems of Secrets, Scrawls and Strays is a great idea and a perfect fit.
