COMBINATORIAL OPTIMIZATION: PACKING AND COVERING (PAPERBACK)

Society for Industrial Applied Mathematics,U.S., United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. This monograph presents new and elegant proofs of classical results and makes difficult results accessible. The integer programming models known as set packing and set covering have a wide range of applications. Sometimes, owing to the special structure of the constraint matrix, the natural linear programming relaxation yields an optimal solution that is integral, thus solving the problem. Sometimes, both the linear programming...
