Now can t someone really teach you how to make money with proof? Can t you obey that person like you obeyed your teachers when you were learning those ABCDs in school? Can t you believe that what you are about to learn could be done in less than 24 hours? I wonder! If you think you can, then follow me and we ll help each other. Whenever I am hungry, I know what to do to get food. Whenever my clothes are unclean, I know what to do to make them clean again. Whenever my hair is bushy, I know what to do to cut it and it will be so. But do I know how to make money when I don t have any? I wonder. That is a question to think about. We all desire good things in life but few of us are willing to pay the price. But prices should not matter, but the benefits we get from them. Before I was able to understand those ABCDs, I paid the price of sitting down and listening to the teachers and as result of that I am able to write what I am writing now and I am successful because of it. I imagine that I may have been stubborn those days, and my mum and dad would have had to force me to go and learn. But check me now, you will see the benefits of their help and price, which I am enjoying...
