

Miracles: God s Signature (Paperback)

By Winner Torborg

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Miracles are acts of God that cannot be rightfully explained. Atheists have seen God s actions and have tried to explain them, but since they couldn t they got frustrated and claimed that, there is no God; so this must have a scientific explanation. I m no scientist so I don t need to know the explanation. The only explanation for a miracle is God is real and He loves us. This book holds just a few testimonies of personal miracles, that is miracles that have happened in a person s life that helped them to live a productive and fulfilling life. We plan to publish more miracle testimonies because they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death, (from Revelation 12:11 King James Version). And Miracle testimonies go to speak of the proof of God.
