Advantages of coloring: Many promising studies have been conducted on art therapy. For those who are less inclined to create art as therapy and wanting a simpler solution, they are using coloring books to enrich their lives. Physicians and therapists prescribe coloring for many different illnesses including depression, PTSD, dementia, and even cancer patients to reduce their pain and stress levels in treatment. Everyday, people are also looking for natural and joyful ways to lessen pain and reduce the tension in their lives. By coloring, the mind focuses. This, in turn, allows the brain to replace mind chatter and negative thoughts...
