Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The totality of our abundance is measured by the ability to fulfill our dreams, utilizing our full capacity every day. On the road to our greatest life, the destination we seek is only achieved by maximizing our capacity to give and contribute. The best way to do that is to follow the lane that will lead you to your greatest potential. Other drivers in your life will want to instruct you on how to be happy, and yet you hold the wheel that will direct your ultimate destiny. The journey of life is an epic expedition of self-actualization and results-driven strategic growth. Life is not about where you start or end; it is all about the distance in between and each moment that signifies the unique mile markers in your life. In the end, when you merge your best attitude with your best aptitude, you will get into the fast lane. Our community supports you on the road of life You have been given gifts that only you can bring to the world. You have been equipped with the abilities to transform the world in ways only specifically designed for you. The landscape of the world can be changed by your willingness to make the transition, Change Lanes and take your life and business into overdrive. Life in the Fast Lane will steer you in the right direction for your life. Many of the world s leading experts share their respective driver s manuals that paved their road to success. Their rear view mirrors become your windshields. You get to determine the best speed for you. You don t have to reinvent the wheel, just put your own rims on...
