

## 60 Signs for Doomsday (Paperback)

By David Jonathan Newman

iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The poems of 60 Signs for Doomsday have a lyrical quality which should appeal to a general audience: doers of good, doers of evil, the righteous, Biblical scholars, the felonious, worshippers of satanic craft, boring housewives, high-and-mighty executives, fans of heavy metal music, and rage-filled healthcare professionals (just to name a few). David Jonathan Newman s unique vision and mastery of language has afforded the literary world a rare treat indeed! Although 60 Signs for Doomsday is the third installment of poems from an irrepressible voice of apocalyptic thought and end-time ideology, it concurrently weaves a subtle message of hope and union. The musicality of 60 Signs for Doomsday is undeniable. Word art is the best way to describe Newman s works--with the best poems being imminently hummable as well as memorable. 60 Signs for Doomsday is a collection of poems that comes precariously close to insanity--is the evil inherent in our world enough to push good people over the edge? What defines evil? Who embodies evil? Are you evil? Am I evil?.
