CRITICAL THINKING?: INTRODUCTION TO NAVIGATING THE IRRATIONAL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Business organizations are in constant and accelerating crisis. This fact is so obvious that we stopped being aware of it in its entirety and we focus our attention on particular areas instead, trying to address them in isolation. What s more, when addressing big issues affecting business, we seek solutions and - which is even worse- perspective within the...

Reviews

This ebook is great. It is definitely basic but shocks from the 50 percent of your publication. Its been printed in an exceedingly basic way and it is only right after i finished reading this book where basically changed me, modify the way in my opinion.

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
