This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Explores the philosophy, science, and spirituality of nature mysticism and its Green calling - Offers a solid bridge between spiritual practice and environmental activism - Reveals how we can heal the environment by renewing our connection to it - Shows how spiritual encounters in nature are healing the Nature Deficit Disorder of our psyches and bodies Many have been struck by a majestic moment in nature--a sole illuminated flower in a shady grove, an owl swooping silently across a wooded path, or an infinitely starry sky--and found themselves in a state of expanded awareness so profound they can feel the interconnectedness of all life. Offering a solid bridge between spiritual practice and environmental activism, von...
