John Hunt Publishing, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. Psalms are song lyrics, the poetry of the soul. Written around 2500-3500 years ago, they are part of our history, our consciousness. This selection of a dozen trans-created Psalms, taking its inspiration from rap and country and western, brings the intent of the writers into the poetry and language of today. For anyone who is looking for God and is prepared to explore beyond the walls placed around Him by the religious institutions. A book about what it is to be human under the glare of the Divine.
