## Elements of Anatomy and Physiology for Nurses (Classic Reprint) (Paperback)

By Percy M Dawson

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Elements of Anatomy and Physiology for Nurses IN the composition of this book the writer has been guided by his own needs and influenced by the following reflections. The field of Anatomy and Physiology is too large to be treated adequately in a textbook of less than several volumes. No nurse can or need become acquainted with the Whole field, but she should know pretty well those parts which border on her own experience. The training school may then with propriety seek to make the nurse thoroughly familiar with a very few fundamental and typical phenomena such as may be presented in a little book, and furthermore it should encourage her to work up her cases from the larger reference books just as the doctor does, although of course in much less detail and from a somewhat different stand point. If she has thoroughly grasped the rudiments of the subject, this procedure will be an easy and pleasant one. This is no new-fangled notion, for the case method of teaching law and medical students is an old story. The case...
