Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. You are deciding to outsource your technology support for your healthcare business - this book is a valuable resource for any healthcare leader involved in any part or stage of the process. Outsourcing your technology is no small decision and presents different challenges depending on the industry you are in. This is particularly true with regard to the healthcare industry. Outsourcing Technology in the Healthcare Industry provides invaluable, practical insight into the challenges facing the healthcare industry from a legal, technological, and compliance perspective. Recent changes in the healthcare law have made it more important than ever for healthcare professionals to understand the consequences of mistakes made by themselves or their technology partners. The approach outlined leads from the changing healthcare landscape through in-depth industry analysis to recommendations for healthcare companies to navigate through the minefield of regulatory and technological challenges.
