Good Strategy/Bad Strategy: The Difference and Why It Matters

By Richard Rumelt

Recorded Books on Brilliance Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Developing and implementing a strategy is the central task of a leader, whether the CEO at a Fortune 100 company, an entrepreneur, a church pastor, the head of a school, or a government official. Richard Rumelt argues that the heart of a good strategy is insight—into the true nature of the situation, into the hidden power in a situation, and into an appropriate response. He shows you how insight can be cultivated with a wide variety of tools for guiding your own thinking. Good Strategy/Bad Strategy integrates fascinating examples from business, nonprofit, and military affairs to bring its original ideas to life: From Apple to General Motors, from the two Iraq wars to Afghanistan, from a small local market to Wal-Mart, from the Getty Trust to the Los Angeles Unified School District, from Global Crossing to the 2007-08 financial crisis, and many more. The abundance of business-ready insights offered by Rumelt stem from his decades of digging beyond the superficial to address hard questions with honesty and integrity.
