Brand New Book ***** Print on Demand *****.Johnson, was a bookseller, highly respected by the cathedral clergy, and for a time sufficiently prosperous to be a magistrate of the town, and, in the year of his son s birth, sheriff of the county. He opened a bookstall on market-days at neighbouring towns, including Birmingham, which was as yet unable to maintain a separate bookseller. The tradesman often exaggerates the prejudices of the class whose wants he supplies, and Michael Johnson was probably a more devoted High Churchman and Tory than many of the cathedral clergy themselves. He reconciled himself with difficulty to taking the oaths against the exiled dynasty. He was a man of considerable mental and physical power, but tormented by hypochondriacal tendencies. His son inherited a share both of his constitution and of his principles. Long afterwards Samuel associated with his childish days a faint but solemn recollection of a lady in diamonds and long black hood. The lady was Queen Anne, to whom, in compliance with a superstition just dying a natural death, he had been taken by his mother to be touched for the king s evil. The touch was ineffectual. Perhaps, as Boswell suggested, he ought to have been presented to the genuine heirs of the Stuarts in Rome. Disease and superstition had thus stood by his cradle, and they never quitted him during life.
