EVEREST, 2005. Condition: Nuevo. The 32 titles in this series are organized geographically into four collections: Africa, America, Europe and Asia and Oceania. With the background of the five continents the different stories tell us about the different visions of the world. The importance of some kinds of animals or sun, moon, element of the nature etc. may mean different things in different culture. This is an opportunity for children to respect people who are different and to open their eyes to a new world full of imagination, colours and stories.
