Reviews

Definitely among the best ebook I have actually go through. I have read and i also am confident that i am going to likely to read once again once again later on. I am just very happy to explain how this is actually the finest publication i have read in my own daily life and could be he greatest pdf for at any time.

AN EMPORIUM OF AUTOMATA (HARDBACK)

DOWNLOAD

Eibonvale Press, 2013. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There has existed all through the Ages an extraordinary idea that puppets are inanimate creatures controlled by human beings; but after spending some years behind the scenes in manipulating the strings of marionettes I am well assured that the position is quite the reverse, and that a puppet-showman is entirely at the mercy of his figures. - Walter Wilkinson, The Peep Show 1933. I can think of no better quotation that sets the stage for this magnificent collection of timeless and haunting tales by British weirdsmith Daniel Watt. This new edition of the author s collection, An Emporium of Automata, delivers a thesis of the theatrically strange. In these stories the frightening hints penned above by a literate Punch and Judy man long ago are cunningly proven and made starkly manifest. This fine new edition places in the hands of all seekers after the beautiful and weird a grand collection which, for so long, has been privy to the locked bookcases of collectors and connoisseurs of the macabre and fantastique. Story after uncanny story unfolds before the reader; a maze of carnival mirrors that we fear we might never escape from. Here are missing tales from some lost, darkly romantic Germanic madman s attic. The rotting, wooden fissures that manifest fill in a gaping and pockmarked wooden maw somewhere between E.T.A. Hoffmann, Nabokov and Ligotti. To name these vaguely reminiscent stylists is far too simple. Daniel Watt dips first and foremost into his own, personal experience. Through his sepia colored lens we are allowed to gape inside the old trunks of puppet men who have sold their souls in the rain, so that they might write such stories as these. The reader senses...
